

CONDEMNED METHOD OF BILLY SUNDAY

Can Vulgar Ways Be Effective in the Cause of Religion?

Rev. W. E. Gilroy Thinks Canada Does Not Need That Sort.

Selecting as the theme of the evening sermon in First Congregational Church yesterday the life and work of the most famous revivalist in North America to-day, Rev. William A. Sunday, D.D., the pastor, Rev. W. E. Gilroy, answering the query, "Does Canada need 'Billy Sunday'?"

He said: "The words of the fiery

apostle. 'The saloon is a menace, it is, to any greater measure than a

religion which places the thresher and the victim, living man,' was one of

Mr. Gilroy's strongest arguments in

the reported methods of Mr. Sunday in cities of the United States.

"Not only is it theology of a medi-

cal type, but it is dogmatic, bigoted,

and narrow-minded. He never so

values as when he is preparing his

sermon upon and comes to tell

men and ministers of liberal, disinterested

and benevolent methods in his

spirit of sensationalism that he

proposed to discuss the most impor-

tant and most outstanding of all

day, is at present the greatest sen-

tation in American life,' contains

the spirit of the times and methods

constitute an issue over which church

circles are mightily stirred, and with

the result of the sermon the world is

raging. The ministers of Boston are

hopelessly divided over the question

of inviting him to speak at their

churches. Most of the conditions such

Manager Cristall Signs Three New Players For Local Baseball Team

Two Outfielders and a Pitcher Added To Ranks of
Hamilton Team—Other Ball News.

Manager William Cristall, of the local Canadian League Club is still busy signing up players, for a letter to Pres. A. L. Garthwaite this morning he informed that persons he had signed up two new outfielders for the coming season. The first signing is a gentleman named Burns, who did great things last season for the club he was with. His batting average was .367. Kane is the name of the other new outfielder, and his average for the season past was .356. The new players are according to Manager Cristall, and their averages published above show them to be first class sticklers. The new manager will have plenty of speedy outfielders to pick from, and the Hamilton team should have one of the fastest in the Canadian League this year.

Manager Cristall has also signed up another pitcher. His name is Ricker, and last season he was in the Ohio State League where he made a name for himself with his brilliant pitching. He will be recommended, and he will have a chance to show his worth when the team lines up in spring training.

President A. L. Garthwaite was in touch with Manager Cristall on the 18th, and he was informed that he was informed by the new pilot that he was trying to secure a first senior who had been a member of the club with the local club. The new man is six feet tall, and last season he had well over the three hundred hits. His batting average was .350, a few days, and just as soon as it arrived his name will be given out.

London, March 22.—It was learned last night that by Wednesday night at the latest an agreement between G. H. O'Neill, president of the Canadian League, and business men of Guelph will have arrived at conclusions pertaining to the transfer of the Guelph team to the Canadian League.

The Guelph gentlemen interested in this transfer have been in touch with the city all day, and business men of Guelph will have arrived at conclusions pertaining to the transfer of the Guelph team to the Canadian League.

Knotty Lee, who managed the Toronto Beavers last season, will be the manager of the reorganized Leaf club.

Mr. O'Neill is a business visitor in

Toronto to-day and expects to make arrangements with the Guelph club on Wednesday.

The idea to purchase only the franchise without the players was put forward by the prospective purchasers. Since it is the opinion that a number of the stars of the players will do so again this year and will not be available in the event that the club is sold, the new buyers included.

The league magnates are anxiously awaiting a speedy conclusion to the negotiations, the contracting

parties since the holding off of the matter of getting the team into a suitable position for the coming season, which opens on May 19th.

There are no negotiations improving and with the war worries wearing off the owners have decided that the league can prosper an economic plan for the coming season, and each club will do its best for the benefit of each and every club on the circuit.

Of the six clubs London and Hamilton are the only ones that have not yet set their players lined up for the coming season. Ottawa has a number signed up, but Shanghaied to the capital this season. Bradford and St. Thomas have been back in action, and Guelph will have to depend on what Knotty Lee has to offer them.

The earlier clubs have their call on any players the Toronto club has, and will turn loose, and in this way need not worry much.

The opening and closing dates for the leading major and minor leagues for the season of 1915 show that the Canadian League will open the Pacific Coast schedule, which opens March 20, and continue until October 24, giving the players a full season of continuous play in the East and Middle West, the American, National and Federal Leagues will open their respective circuits about the same time, and the major and minor leagues across the season of approximately six months. The dates for the initial and final games of the season are as follows:

League. Open. Close. National. April 14. Oct. 7. American. April 16. Oct. 7. Federal. April 7. Oct. 7. Pacific Coast. March 20. Sept. 25. Northwestern. April 20. Sept. 15. New England. April 20. Sept. 6. Southern. April 13. Sept. 26. Georgia. April 20. Sept. 21. South Carolina. April 22. Sept. 21. Canadian. May 12. Sept. 8.

TORONTO TEAM WAS NO MATCH FOR CLIMBERS

Local Have 25-Point Lead
on Their Opponents.

As was to be expected, the Climbers, Hamilton's intermediates O.S.A. aspirants, handed the Toronto Playgrounds team a bad beating here on Saturday night, so bad in fact that the Toronto contingent had to leave on Wednesday night in the return game. When the teams trotted on the floor on Saturday night, the large audience was present to witness the result of the outcome of the game, for the Toronto team outwheeled the Climbers, 25-10. Jack Darragh wired the club headquarters last evening stating that the Climbers, owing to the injury to Griffins, wished to use Lester at cover-point in the championship match. Griffins suffered a dislocated ankle in the last game with Portlands. Darragh asked the decision of the club, and was immediately informed that under no circumstances should Darragh be allowed to play.

In the first place, the Vancouver club wished to submit the best defensive man at the coast, and in the second the Stanley Cup trustees would not permit the substitution as the rule regarding the necessity of having a club member on the floor.

For the first time, Portlands had to follow the rules of the game, and will forward to use one of their own men at the end of the contest.

They had only one extra forward for the seven-man game, and will be forced to use one of their own men being ruled out.

BLACK LIST OF MEN WHO WILL NOT TAKE WORK

They Will Get No Assistance From
the Relief Department
Next Winter.

LIST VERY LARGE

Works Department Laying Out
Street Work to Be Done
During Summer.

Although the city intends to provide as much work as possible during the next months, it is not intended to force local improvements on those who cannot afford to pay for them, but in connection with residential districts where it is figured the property-owners can well stand the strain, numerous public works will be undertaken.

This was the policy announced by the Board of Control this morning, and Controller Cooper echoed it as the policy of the Board of Works as well.

"There is a certain amount of work that will have to be done," observed Mr. Cooper, "but it is not intended to be left over if pay for the work would be a hardship for the residents."

"We are picking out the men to be given work," said Controller Cooper. "We don't intend to work a hardship on anyone."

The Rev. George W. McMenamy put the figure very low when he said that twenty per cent of the relief work was bound to be undertaken by those entitled to relief. The Board of Control last month decided not to give work tickets, but 42 showed up at the Board of Control this morning, and gasped for breath. The feeling was that, with the cold weather over, the relief work would be suspended and not get along through the summer months. But they will find a reaction next winter, and the list of those who have refused to take work will be longer, preserved and when they apply for relief next winter there will be nothing to do.

A communication from the Mr. Brown & Sons Co. registered a complaint to the minister the city was ordering them to pay for the work done.

The latter tendered, giving a list of different items that could be had at an average price, and the ministerity should select one kind and use it exclusively, thereby cutting down the cost of the work.

The minister accepted the suggestion, and the workmanship is of the very best, exceeding the output of the men up to the company by the amount of 10 per cent.

J. J. McKay, civil engineer, waited on the minister to suggest that the sufficient of his mountain park at the east end inclining to the diversion of the Niagara River. It would not be necessary to force the diversion of the engine house and summer theater, the board wants the city to establish a park in the valley.

City Engineer Macmillan notified the board that the transferring of E. Hines had to be done, and the minister agreed.

The minister said that the city's timekeeper would mean that His services would be required until Oct. 25, but he will then be laid off, unless some provision is made for him.

He replied that he would be at the Trades and Labor Council on H. A. A. A. taxes will be that the city will admit all but school taxes for 1912-13. The city will be taxed on \$174,000 has been paid, and the remaining taken action as to the city's demand.

A delegation of team owners were to have met the board at 11 o'clock, but Mayor Waters was busy, and they were called off until Wednesday.

BY COMMISSION

Evidence to be Taken in Damage
Suit in Baltimore.

G. W. and Edith Shaw came from Baltimore, Maryland, to visit friends in this city. To get to their residence it was necessary to take a street car, and while riding in one a car and collie collided, causing injuries to W. M. McMenamy, of this city, in a suit against the street car company for damages for the injuries received. Mr. and Mrs. Shaw returned home, where they were treated by two physicians, and this morning Mr. McMenamy made a motion to have a committee appointed to go to Baltimore and take the evidence of the doctor. The motion was granted.
